Frere Independent is proud to present its annual independent art fair, Pool. This is the fifth edition of the Pool Art Fair in Miami, and it is slated for December 4, 5 & 6 2009 at the Cavalier Hotel, during the Art Week in Miami. Of the many fairs in town at this time, Pool is the only one to present exclusively great-unrepresented artists.

The simple, modest approach of the Pool Art Fair offers an exciting alternative to the "Art Fair" experience for dealers and collectors as well as the general public. Pool's purpose is to create a meeting ground for outstanding artists, primarily those who do not yet have gallery representation. Contemporary art dealers, artist agents, emerging galleries, artists' collectives, and non-profit organizations may also apply to participate as exhibitors. The fair serves as an invaluable resource for the artistic community and the general public. Exhibitors will be given a room at the hotel in which to display their work; creating a unique and intimate setting. They will share with the public their most recent works: **unique, original, and challenging art.**

Pool is produced by Frère Independent. This not-for-profit art organization provides new avenues of dissemination and widespread visibility to emerging artists who do not currently have gallery representation.
